Dear Parents:

As we close this 20-21 school year, we have been meeting and discussing children and their progress. At this time we would like to offer your child the opportunity to attend summer school. This will be a time for specific skill recovery in small group settings for your child to recoup or master what they may not have achieved during the regular school year.

They will come to KMS June 15-July 22 from 8-2 each Monday through Thursday. Breakfast and lunch will be provided as well as limited bus transportation to designated pick up/drop off spots.

This opportunity is being offered to students with the greatest need first from May 17- 24. May 24 we will open this up to everyone to sign up. We only have a limited amount of space and will fill up fast. Please return the form below as soon as possible.

Sincerely,

Lesa Burdeshaw

Please fill out the bottom portion and return it to your child's teacher.
